Public Sector Undertakings in Gujarat

2974. SHRI ANANTRAY DEVSHANKER DAVE: Will the PRIME MINISTER be pleased to state:

(a) what are the details of the Public Sector Undertakings in Gujarat in the Central Sector;

(b) what are the details of profits and losses incurred by each of them during the last three years;

(c) what is the number of such Undertakings which have been closed down or are likely to be closed down in the near future due to running into loss;

(d) what are the main reasons of their sickness and what steps have been taken to revive them and whether the interest of the labours/workers would also be safeguarded; and

(e) what are the details of the proposal regarding establishment of new Undertakings in Public Sector in Gujarat?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (DEPARTMENT OF INDUSTRIAL *DEVELOPMENT) WITH ADDIT*IONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (DEPARTMENT OF HEAVY INDUSTRY) (SHRIMATI KRISHNA SAHI): (a) and (b) As on 31-3-1992 there were two Central PSEs having their registered offices in the State of Gujarat. The details of their profitability during last three years is given below :—

(Rs. in crores)

Sl. No.	Name of PSE	Net Profit/loss 1991-92	1990-91	1989-90
1	Indian Petrochemicals Ltd.	55.02	57·25	81.24
2	NTC (Gujarat) Ltd.	—37.13	—21.95	—27.88

(c) No Central Public Sector Enterprise has been closed down and there is no proposal to close down only due to their running into losses.

(d) The main reasons of losses in respect of NTC (Gujarat) Ltd. include obsolete plant and machinery, excess labour employment, unhealthy competition from unorganised powerloom sector and steep rise in cost of major inputs. Sick PSEs have been referred to BIFR to examine the cases for formulation of revival/rehabilitation plans. National Renewable Fund has been set up as a safety net for protecting the interests of the workers likely to be affected due to restructuring of sick PSEs.

(e) Setting up of new projects or expansion of existing projects in the Central Public Sectors are decided keeping in mind the techno-economic feasibility of the projects and availability of the resources together with the balanced regional development of the Country.
